Store Review: Christabelle's Closet

You'll find awesome bargains at [Christabelle's Closet](#), an online designer resale boutique that brings Park Place to your place. Christabelle gets the most beautiful designer duds and accessories from the closets of the rich and famous and brings them to us at an affordable price. The only drawback is that the most common sizes may be harder to find, but isn't that true of any resale shop? Still, I was able to quickly find a great dinner-to-date outfit: a cute and versatile [Amanda Uprichard dress](#), [Emporio Armani ankle strap heels](#) and a [Calvin Klein clutch/wristlet](#). Make sure to check out the [Clearance Closet](#). Half of the purchase proceeds from items there are donated to The Michael J. Fox Foundation to find a cure for Parkinson's disease. Find them at [christabellescloset.com](#).
